ABOUT

Sleepover Parties, Reimagined

Sleepover Club is a Timonium-based teepee party rental business run by a local mom who wanted to make childhood sleepovers genuinely magical, without turning every birthday into a full-time project for the host parent.

We rent beautiful teepee tents, air mattresses, styled linens, and curated party activities to families across Baltimore County. Choose DIY pickup in Timonium or add full setup and takedown so we handle everything and you just enjoy the party.
